Plan for Traditional Learning

PELHAM CITY SCHOOLS

Traditional Learning for PCS Students

The Traditional Learning Plan allows students to participate in a traditional school day with face-to-face learning.

Important Items to Note:

Absences Due to Health and Safety:

Important Items to Note:

- Learning experiences are
  - in a traditional setting
  - adjusted to meet health and safety protocols
- Student resources will include both digital and print.
- All students will have access to a Google Classroom for learning opportunities and communication.
- Students will have the opportunity to transition to remote learning at any time due to health concerns.

Absences Due to Health and Safety:

- Individual Student Absences: In the event a student has absences due to health and safety, students will be able to access daily traditional instruction through Google Instruction. Each day, classroom teachers will place daily instructional activities into Google Classroom. In the event a student is absent, the student will be able to continue learning through Google Classroom assignments. The instruction will be comparable to content delivered in the traditional classroom and will be graded following local school grading procedures.

- School Closures: In the event of a schoolwide closure, traditional students will continue accessing their traditional teachers' assignments through Google classrooms. Each day, classroom teachers will place daily instructional activities into Google Classroom. The instruction will be graded following local school grading procedures.

- In the event of absence due to extended health and safety OR a full closure, students will have the opportunity to check-out a Chromebook with a non-refundable device fee of $50. Chromebooks are to be returned at the end of the school year. Click here for device requirements for PCS applications.
